BAINBRIDGE ISLAND, WA • WEBSITE PROPOSAL

Island Paws

Your dog, at home.

A website that earns trust before the first message.

Prepared for Trenton & Jordan

WHY CLIENTS CHOOSE THEM

Already trusted by dozens of families.

4.9

Star rating on Rover

75

Five-star reviews

42

Repeat pet parents

- **Star Sitter status**
Top 3% of Rover sitters nationwide
- **100% response rate**
Every inquiry answered, every time
- **Daily photo updates**
Sent on 90% of all bookings
- **20 years experience**
Senior dogs, special needs, medications
- **Large fenced yard**
Quiet Bainbridge Island neighborhood
- **Family, not kennel**
Kids, routine, real home — not a facility

"Trenton and Jordan are the gold standard of pet care."

— Emily G., House Sitting client

Six sections, one clear story.

1

Hero

A striking first impression with a photo collage, trust strip, and a direct "Book on Rover" call to action.

2

Services

Clean cards for Day Care, Boarding, and House Sitting — each with pricing so there are no surprises.

3

About

Trenton and Jordan in their own words: a family that has always had dogs, on an island that slows life down.

4

Typical Day

A timeline that helps pet parents picture exactly what their dog experiences during a stay.

5

Reviews

All 75 Rover reviews in a filterable drawer. Skeptical owners can read every word.

6

Rates & Booking

Full pricing table plus a direct link to their Rover profile — one tap to book.

WHAT'S INCLUDED

Everything, handled.

-  **Custom design**
Built specifically for Trenton & Jordan — not a template.
-  **Mobile-optimized**
Looks great on phones, tablets, and desktop.
-  **All 75 reviews included**
Filterable by service type. Nothing hidden.
-  **Full pricing table**
Rates, add-ons, and holiday pricing clearly displayed.
-  **Gallery of 95 photos**
Every Rover photo organized in a lightbox gallery.
-  **Direct Rover links**
Every call to action sends visitors to book on Rover.
-  **Hosted on the web**
A real URL they can share. Not a PDF or a screenshot.
-  **Easy to update later**
Structured for a simple content editor post-launch.

LET'S MAKE IT YOURS

Ready when you are.

Take a look at the live site. If it feels right,
we'd love to make it officially yours.
